**Rothbury, Mich.** – Today, celebrating its 10<sup>th</sup> anniversary, Electric Forest (EF) announces the highly-anticipated artist lineup for the annual music and camping festival in Rothbury, Michigan taking place June 25-28, 2020. Turning the page to Chapter 10, Electric Forest takes the opportunity to celebrate a decade of music, art, and community with over 100 artists - ranging from Electric Forest mainstays to those making their first trip to Sherwood Forest. [Click here](#) to view the complete lineup for Electric Forest 2020.

Marking this milestone are EF originals *The String Cheese Incident* (performing 3 Incidents), who have performed every year of the festival. Electric Forest 2020 also welcomes returning heavyweights *BASSNECTAR*, *Flume*, *Major Lazer*, *Big Gigantic*, *Louis The Child*, and *The Disco Biscuits*. New to The Forest this year include headliner *Diplo*, plus *Big Boi*, *The Black Madonna*, *Boys Noize*, *Petit Biscuit*, *Princess Nokia*, *Rainbow Kitten Surprise*, *YBN Cordae*, and more. EF fan favorites *12<sup>th</sup> Planet*, *Keller Williams*, *Lotus*, *EOTO*, and *SuperDre* join *The String Cheese Incident*, *BASSNECTAR*, and *Big Gigantic* as artists who performed the inaugural event in 2011 and return in 2020 to celebrate a decade of magic.

Special sets and unique collaborations have contributed to the magic of Electric Forest over the past 10 years, and this year's event does not disappoint. EF2020 highlights include *Turkuaz with Jerry Harrison & Adrian Belew* of Talking Heads who will perform *Remain in Light* in honor of the album turning 40; *SVDDEN DEATH PRESENTS: VOYD*, *Noisia* hitting the EF stage on their last tour together, and many more enchanting musical moments.

Continuing the tradition of revealing the lineup in clever and engaging ways, over the past month EF HQ dropped hints of the EF2020 lineup for the Forest Family to discover. Sharing old social media posts from returning headliners and posting riddles and limericks on social media, creating chatter, speculation, and excitement among the Forest Family. The clues culminated in an EF2020 Lineup Teaser video. The video features pianist Jason Leech—who is well known by festivalgoers for his captivating impromptu sets at the Ocular Organ in EF's Sherwood Forest—performing a medley that, when listened to closely, nods to artists confirmed for EF2020.
